Video Analysis

It has been proven athletes involved in skill specific movements learn faster with visual feedback. Our video analysis system is the top real time tool for providing State-Of-The-Art motion analysis for hitting and pitching movement.

Frame by frame viewing capabilities help the student and instructor identify proper positioning and sequence of the art we are trying to accomplish.

Video Analysis is a critical tool for baseball players looking to enhance and improve his performance.

Cost: \$25.00 for one time video
\$10.00 for each session
